

Powering

successful restaurants

“Switching to Toast has **doubled our monthly sales**. Faster turn times and the reliability and accuracy of orders has really contributed to revenue.”

LOGAN HOSTETTLER

THE 1894 LODGE

Toast's restaurant management platform combines point of sale, front of house, back of house, and guest-facing technology that empowers restaurateurs to:

Increase revenue

by driving more orders through tableside ordering and payments, online ordering, and integrated loyalty programs.

Improve restaurant operations

by gaining visibility into your restaurant's data through kitchen management technology and an easy-to-use point of sale system built in the cloud.

Deliver amazing guest experiences

by offering digital gift cards, text and email receipts, and personalized marketing campaigns.
